

Did you know that....

- Beach pavilion Caricole has been a family business for 67 years
- We are very proud to have been of service to you for so long
- Our motto is "Enjoy"

- A "Caricole" is a type of whelk or sea slug
- Leunis and Cathalina van Liere Caricole started in 1956
- Herman and Jenny van Liere built a new building in 1978
- Ingrid van Liere has been running the pavilion since 2002
- The new building opened its doors on May 15, 2017
- Since 1988, the pavilion also remains standing in winter
- We are also open from Friday to Sunday in winter
- Wednesday is our regular closing day, but not in July and August

Did you know that too...

- We have our own herbal bitter [Kerzantse Dodde](#)
- This can also be taken home per bottle as a souvenir
- But [Caricole Bier](#) and [Blue Shark Gin](#) are also among our house brands
- Zeeuws-Vlaanderen is one of the few places where you can find shark teeth
- The current of the sea here at rising water runs to the right
- The current here with outgoing water runs to the left
- Cadzand has the most hours of sunshine in the Netherlands
- Our WiFi password is "Genieten"(eng.trans."Enjoy")
- We wish you a pleasant stay at our beautiful Zeeland beach!!!
